

12/10/2018

Dear Parents,

We were very pleased to be able to welcome the parents of our new Year 7 intake to their first Parents' Evening this week. My feeling is that the new Year 7 is an excellent year group and seem to have fitted quickly into life in the senior school. Certainly, when I see them around School and in lessons they seem happy and engaged.

At the other end of the School, I have spent a great deal of time during the last couple of weeks with our potential medics as the deadline for their UCAS applications to be sent races towards us (15th October). I have to say that these students are calm, level-headed, mature and very self-motivated. I wish them the very best of luck with their applications and look forward to working with them each week as we prepare for medical interviews.

Yours sincerely,

Mr D Cassidy

Year 7 take part in Heartbeat Bury event

On Monday, Year 7 boys were off the normal timetable whilst they participated in a range of activities relating to living a healthy lifestyle.

This included fitness testing, mindfulness and meditation, an anti-smoking workshop, a healthy eating workshop focusing on sugar, and a health issues workshop. The whole event ended with a sponsored run in order to raise money for Teenage Cancer Trust.
