

07/09/2018

Dear Parents,

A very warm welcome back to all of the boys and an especially warm welcome to our new pupils joining us in Year 7. They are joining a thriving school community where they will be supported over the years to achieve the best they can, and develop into decent young people.

It is crucial that they enjoy a healthy balance in their lives, and that's where the extra-curricular opportunities complement and enhance their intellectual and academic development. As you may have heard me often say, success and fulfilment in life will not stem from studying and attainment alone, but from a holistic education where the academic, extra-curricular and pastoral sides of school life are mutually supportive.

When this is achieved, relationships develop between pupils themselves and between pupils and their teachers which are strong and trusting and go some way to enable all pupils to succeed and achieve their potential.

Yours sincerely,

Mr D Cassidy

*Headmaster –
BGSB Senior School*

Year 7 settle into Senior School life

The BGS Boys' Senior School pupils returned to School on Thursday ready for the new academic year.

The Year 7 and 12 boys were in School on Wednesday for their induction.

Headmaster Mr Cassidy spoke to the boys in Assembly on Thursday morning before making additional time to speak to the new Year 7 boys afterwards.

He encouraged them to be proud of achieving a place at BGS, to work hard, to become fully involved in the extra-curricular life of the school and to participate in sport. He encouraged a 'can do' positive attitude and that a positive attitude will result in their enjoyment of school.
