

14/09/2018

Dear Parents,

The week began with an Assembly about the recent World Challenge expedition to Thailand, Laos China and Vietnam and set the tone for launching our new extracurricular programme. There are many more activities available to the boys than every before as we seek to achieve true equality of opportunity for our pupils.

Year 7 returned from Plas Menai yesterday and had a wonderful time. I spoke to many of them today and they eagerly recalled their experiences climbing, mountain biking in addition to the many water sports. It is clear that many close friendships have developed and I look forward to hearing their report in Monday's assembly.

Matches begin tomorrow with fixtures against QEGS Blackburn. Do please encourage your son to be fully involved in School life outside of the classroom. Such involvement will undoubtedly result in his positive personal development, happiness and well-being.

Yours sincerely,

Mr D Cassidy

*Headmaster –
BGSB Senior School*

Year 7 enjoy fun-filled residential to Plas Menai

What a start to the academic year for Year 7!

Powerboating, kayaking, paddle boarding, rope climbing, mountain biking, crabbing, team building, orienteering... the boys have had a great time at Plas Menai.

The boys and staff have spent three days getting to know each other, working together, building resilience, overcoming fears and having a great deal of fun.
