

September 2019

Dear Parents,

At the start of a new school year I wanted to share some key information you may find useful as your son begins Year 11.

Working closely with you as parents is, of course, vital to ensuring that your son is as successful and happy as he can be in school. Communication is obviously an important part of this. You will already be aware of whom your son's Form Tutor is for this year and they remain your point of first contact within school. You can telephone the school office to leave them a message or contact them directly using the email addresses below:

11B Mr Alldred balldred@burygrammar.com

11U Mr Watts awatts@burygrammar.com

11R Mr Parkinson nparkinson@burygrammar.com

In Year 11, it is expected that boys spend on average two hours each day on homework and independent study. We ask for your support in encouraging your son to use this time productively and appropriately.

During the course of the next term Year 11 pupils will have a number of study skills sessions to build on the work they did with their Form Tutors in Year 10. The most significant of these will be a full day of study skills sessions on Wednesday 6th November. Additional year assemblies and form tutor sessions will also provide advice and guidance throughout the year.

In Year 11, it is also necessary for your son to be looking forward to the next stage of his education. The Sixth Form Open Evening will take place on Tuesday 8th October where boys will have the opportunity to tour the Joint Sixth Form Centre and speak to Heads of Department about A Level subject choices. This will be followed up later in the year by a Sixth Form Taster Day in which the boys get to experience a day in the life of a Sixth Former.

Please could all parents also be aware that the Year 11 Trial Examinations take place between Monday 6th January and Wednesday 15th January 2020.

Thank you in advance for your continued support and I look forward to this year being a successful one for your son.

Yours sincerely

Miss S Cawtherley
