

Dear parents and carers,

We are well into May and our Value of the month is Responsibility. It is beginning to feel like summer so thank you for sending the children to school ready for the heat as the temperatures rise. We celebrated the Royal wedding with a street party lunch on Thursday and an afternoon of special activities on Friday afternoon to enter the celebratory mood along with the nation! Everyone really enjoyed the day.

Best Wishes

Ms. Jenkins and Mrs Hutchinson-Wright

Responsibility is our Value for May

In May we have been discussing the value of Responsibility. At school, this means taking on special jobs and making sure we complete them. Being careful to live together and looking after our friends and school equipment. At home, I am sure you have similar discussions and practical ways to develop our children's understanding of this key Value.

Lost Property

We have a lost property box in the main reception, which is already starting to get full. If your child misplaces any items, please check the lost property box,

Reception outdoor space

Our reception area is set up every morning ready for the children's learning during the school day. Please make sure that the activities and play equipment are not being used when you drop off your children before the school day begins.

Ramadan

Ramadan starts on the evening of May 16 for a month. Lets Show that we understand this obligatory pillar of Islam, however we would not expect children from the Primary Phase to be taking part in fasting.

Earrings at school

To ensure our children are safe we allow the children to wear stud earrings only on a daily basis.

Children should not wear earrings on the day their class are doing P.E.

Please check with the class teacher which days your child does P.E in school

Trainers

Some children are coming to school in trainers, the trainers are multi coloured.

Please be aware the policy for footwear in school from reception class to year 6 is Velcro black shoes or plain trainers.
