

# ECS Primary - Latest News: Friday 21st March 2019

Since its launch in 1988, **Red Nose Day** has become something of a British institution. It's the day, every two years, when people across the land can get together and raise money at home, school and work. We raised a whopping £296.08 for Comic Relief. Thank you to all for your generous donations. The children had a brilliant day learning about the importance of charity, taking part in activities and enjoying the cake sale.

## Sea Life and London Eye

Year 3 had a fantastic day out in London visiting the London Eye; they could see a bird's eye view of London which the children were amazed by.

Year 3 also visited the Sea Life Aquarium and were given lots of information about the different sea creatures they were looking at. A favourite for most children were the jellyfish.

## Dance

Year 3 had the opportunity to collaborate with professional dancers from the Royal Opera House to take part in a dance competition with schools from across the borough. They performed wonderfully and are looking forward to showing off their skills in future. Well done!

## Reception Show

This week Reception have been super busy performing their Number Land performance to parents/carers and all year groups! All pupils have worked incredibly hard to learn songs all about Numbers.
