

## Welcome Back

Welcome back to you all and special welcome to all the new children and staff.

Our new Nursery classes have started school and are settled into their morning and afternoon slots and our Reception classes Essex and Manchester have also settled into the new term magnificently. It is wonderful to see all the children in the Early Years Foundation Stage are making new friends and getting busy every day with their learning.

This is an exciting year for Eastbury Community Primary, our year 3 children become ever taller and seem so grown up as they enter KS2 and climb the stairs into their new classes Glasgow and Belfast!

### Clubs

We are pleased to be offering a wider range of clubs each term at Eastbury Community. Our aim is that every child will get the opportunity to participate in a club of their choice at least once over the year.

### Eastbury Parliament

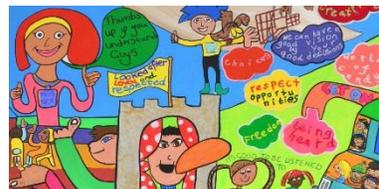

Let us work together to make our school even better.

Eastbury Community School has been busy learning about the British Value System and our democracy.

This week the children in each class have elected two councillors to represent their views.

The children in year 3 are preparing their election campaign where they are considering all the aspects of school life and how they might influence change to improve it.

On Friday, there will be a polling station where the children will mark their crosses on the ballot papers so that the children can vote for their MP.

The MPs who are voted in will be responsible for communicating all the views and ideas forward in half-termly Eastbury Parliament meetings with the Headship team.

### REMINDER

It is vitally important that you collect your child on time from their after School session at 4.15pm.

There will be no clubs running in the weeks beginning 8th, 12th and 26th November.
