For the End of Year Test in **Maths,** I need to revise:

Year 7 Set 1 and 2-End of year revision topics		Year 7 set 3 and 4-End of year revision topics		Year 7 set 5-End of year revision topics
Sequences		Line Symmetry & rotational Symmetry		Converting between fractions, decimals, percentages
Negative Numbers		Collecting Like terms		Arithmetic Calculations
Decimals		Co-ordinates		Sequences
Two way Tables		Time		Factors and Primes
Calculating Angles		Multiplication of whole numbers & decimals		Negative Numbers
Simplifying algebraic expressions		Bar Charts		Pictograms
HCF & LCM		Perimeter of shapes		Reading Scales
Area & Perimeter of 2D Shapes		Money Calculations		Fractions
Percentages of amounts		Fraction of Amounts		Place Value
Comparative Bar charts		2D Shapes		Percentage of an amount
Best Buys		Probability of events		Solving Equations
Linear Equations		Types of Angles		Transformations
Solving Equations		Division of whole numbers		Fractions
Subsitution		Pie charts		Simplifying algebraic expressions
Surface Area & Volume		Substitution		Calculating Angles
Pie Charts		Calculating Angles		Proportion
Powers and roots		Pictograms		Money Calculations
Angles on paralell lines		Rounding		Averages
Fraction, Decimal, Percentage Conversion		Square Numbers		Rounding
Ratio & Proportion		Multiplication		Area & Perimeter of shapes
Coordinates		Money Calculations		Function machines
Fractions		Percentages		Forming Expressions
Averages		Equivalent Fractions		Distances
Angles in polygons		Sequences		Co-ordinates
		Fraction of an amount		Frequency Tables
		2D Shapes		Square Numbers
		Averages		HCF & LCM
		Transformations		
		Substitution into Formaulae		
		Place Value		
		Calculating Angles		
		Probability
