

For the End of Year Test in **Music**, I need to revise:

Year 7 Exam Revision Guide

- Find out what the following instruments sound like:

Bell

Guero

Tambourine

Rattle

[DSO Kids: Instruments of the Orchestra](#)

[BBC: Instruments of the Orchestra](#)

- Revise the terms:

Pitch – how high or low the music is.

Monophonic – single sound

Polyphonic – many sounds (like poly rhythms)

Call and response – music created like a question followed by an answer

Master Drummer - The **master drummer** has the most elaborate part, leading the drum ensemble and playing solos. He leads the drummers by giving them musical cues in the form of rhythm patterns. He also gives cues to dancers to signal changes of tempo or steps.

Syncopation – making part or all of a tune or piece of music off-beat

Polyrhythms – many rhythms played at the same time.
