

Tanglewood Nursery School Early Years Pupil Premium

What is Early Years Pupil Premium?

The Early Years Pupil Premium (EYPP) is extra funding given to the nursery that aims to improve outcomes for eligible 3 and 4 years olds in nursery.

The EYPP money is used to provide additional support for each of our eligible children. Each child is unique and has different strengths and needs. We look carefully at each child's baseline data at the start of the year and identify group or individual interventions that will boost their progress.

If you are in receipt of any of the following, early years pupil premium funding may be available for your child.

- Income Support
- Income-based Jobseekers Allowance
- Income-related Employment and Support Allowance
- Support under Part VI of the Immigration and Asylum Act 1999
- The guaranteed element of State Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on - paid for 4 weeks after you stop qualifying for Working Tax Credit Universal Credit

If this applies to you, please tick the EYPP box on the coloured funding form that you are asked to complete each term. Applications for EYPP are made at the beginning of each term, so if your circumstances change please let the office know as soon as possible.

We are proactive in encouraging parents to apply for pupil premium and we will approach parents who may be eligible to ensure that their child benefits.

Measuring the Impact of EYPP spending

The impact of the interventions is carefully monitored by the Deputy Head and class teachers (using EExAT) and ultimately by the Senior Leadership Team at progress meetings each term.

The School Improvement Group also meets each term to inform governors of progress. We have an Equalities Governor and EYPP Governor, each of whom visit termly to meet with the SLT.
