

### Events & Opportunities

#### **Pilot Careers Live incorporating Aviation Careers Zone**

Saturday 14<sup>th</sup> April 10am-4:30pm. To find out more please go to, [www.pilotcareernews.com/live](http://www.pilotcareernews.com/live) (cost involved)

#### **Invisible Superheroes FREE exhibition, One Great George Street, London.**

The **Institute of Civil Engineers** is celebrating its 200<sup>th</sup> anniversary by celebrating the role civil engineers play in transforming lives and safeguarding our future.

Open Monday to Friday, 10am-5pm, closed weekends and public holidays.

<https://www.ice.org.uk/events/exhibitions/ice-invisible-superheroes-exhibition>

#### **British Academy Summer Showcase 2018: A free festival for curious minds.**

Saturday 23<sup>rd</sup> June. The British Academy is the UK's national body for the Humanities and Social Sciences, see both in action; from history to psychology, music to geography and speak directly with researchers about their work. Students will have a chance to explore subjects beyond the curriculum. To find out more,

[www.britishacademy.ac.uk/summershowcase](http://www.britishacademy.ac.uk/summershowcase)

**Medic Portal's newly revamped TMP Aspire Event** takes place this summer 2018, running in London, Edinburgh, Manchester and Birmingham.

Our one-day Aspire event is perfect for **Year 8-12 students considering a career in medicine** alongside informing parents about the various stages involved in the medical school application process. The aim of Aspire is to reach students from all backgrounds - tickets cost just £20 for a student and £30 for a student and parent.

<https://www.themedicportal.com/event/the-medic-portal-aspire/>

#### **KBR Open House, 23<sup>rd</sup> May from 3pm-8pm**

KBR is a Leatherhead-based engineering company, you can go along to find out more about engineering and other roles available in the organisation. <https://www.kbr.com/>

More information to follow.

**Pathways to Property Summer School** takes place at the Henley Business School on campus. The event is completely free of charge, as all costs are covered by Pathways to Property, including travel. **23-26th July and is a residential programme for students in Year 12.**

More than selling houses: discover where a career in property could take you. Have you ever wondered how buildings are developed, who is responsible for managing them or how much they are worth? Join the fully-funded Pathways to Property Summer School to find out more!

[http://rref.henley.ac.uk/rref-what-we-do/Pathway to Property/rref\\_pathways\\_to\\_property.aspx](http://rref.henley.ac.uk/rref-what-we-do/Pathway to Property/rref_pathways_to_property.aspx)

## Events & Opportunities continued

**Summer school at St Christopher's Hospice** (there is a cost involved), for students **aged 16 or older**. <https://www.stchristophers.org.uk/wp-content/uploads/2017/04/Flyer-Summer-School.pdf>

The School of Journalism is offering sixth form students a **free journalism masterclass** from their Wimbledon offices on Wednesday, April 4 from 12pm-3:30pm. The session will include both written and broadcast exercises and students will also get to quiz their head of journalism about getting into journalism and meet the students on a BA (Hons) Journalism degree.

They are also opening the doors to our South West Londoner newsroom this July 23-27 for sixth form students interested in gaining **work experience**. Students will get the chance to interview people and write stories – not just make tea. Please email [ldyer@newsassociates.co.uk](mailto:ldyer@newsassociates.co.uk) if you wish to find out more about these opportunities.

## Resources

Last month we were fortunate to have a Hospital Pharmacist come into school and talk to Year 8 and sixth form students about her role, if you are interested in science and would like to find out more about a **career in pharmacy**, please follow the link below, [www.rpharms.com/resources/careers-information](http://www.rpharms.com/resources/careers-information)

Please look out for the top 20 employers from the **Times Guide to Higher and Degree Apprenticeships** displayed in PS1 and PS2, the full list of 40 employers and the schemes on offer can be found here, <https://advice.milkround.com/the-times-guide-to-higher-and-degree-apprenticeships>

Mr David Bond, Security and Defence Editor for the Financial Times, was unable to come into school in March to speak to our lower school and sixth form students due to a breaking news story. His visit will be rearranged but in the meantime please remember that there are copies of **'How to become a Journalist 2018'** in both the careers library in PS2 and the LRC.

To find out more about **actuarial careers** and routes into the profession, including apprenticeships, please go to, <https://www.actuaries.org.uk/become-actuary> and <https://www.actuaries.org.uk/become-actuary/actuarial-apprenticeships>  
**Did you know?** AON offer an actuarial apprenticeship, information in the careers library and LRC, <http://www.aonearlycareers.co.uk/apprenticeships-1>

### UCL Science Lectures for Year 11 & Sixth Form students

Free and no booking required. To find out what lectures are coming up and to view past lectures, please go to <http://www.ucl.ac.uk/physics-astronomy/outreach/science-lectures>

### KAPLAN Medical School Matcher: <http://www.kaptest.co.uk/med-school-matcher>

This brand new resource makes it quick and simple to see which Medical School you can apply to based on your grades and subjects. Please also check individual university websites for up to date admissions criteria and note that A level grades are only one part of the application process.

## Resources continued

**Gap Years: Warts and All! By Lawrence Lockhart**

[www.independentgapadvice.org](http://www.independentgapadvice.org)

Please ask Mrs Lenaghan for a copy of an article taken from Careers Matters magazine which discusses gap years and contains lots of mainly UK-based Gap options costing less than typical overseas projects.

## Post 16 Choices

**Civil Service Apprenticeship Scheme** is now open for applications, to find out more, please go to, <https://www.gov.uk/government/organisations/civil-service-fast-track-apprenticeship>

***Important note: The deadline for the Civil Service Fast Track Apprenticeship Scheme has been brought forward to Wednesday 4<sup>th</sup> April.***

- **Find an Apprenticeship**,  
<https://www.findapprenticeship.service.gov.uk/apprenticeshipsearch>
- **Get My First Job**, <https://www.getmyfirstjob.co.uk/>

## Higher Education

**Human Rights and Peace Building Summer School at Queen's University Belfast.** This is a residential programme and students will be invited to stay in student accommodation. Cost involved (two scholarships available). Closing date, 16<sup>th</sup> April 2018.

To find out more and apply, [go.qub.ac.uk/humanrights2018](http://go.qub.ac.uk/humanrights2018)

**Birmingham University Work Experience Week, 25-29<sup>th</sup> June.**

The School of Computer Science and the School of Mathematics at the University of Birmingham are welcoming applications for a work experience week across the two departments. The week will consist of mathematics and computer science projects, an introduction to the university, and a university Mathematics Taster Day.

We welcome applicants in year 12 who are studying suitable A Levels (or equivalent), and who are planning to study Mathematics or Computer Science at University level.

**Applicants must be able to attend the whole week and make their own travel, accommodation and sustenance arrangements.** Applications now open,

<https://www.birmingham.ac.uk/schools/mathematics/outreach/index.aspx>

## Higher Education continued

### University of Warwick in London – History of Art Taster (12-13 April 2018)

Have you ever considered how to become a gallery or museum curator, a heritage manager or conservator, archivist or archaeologist, publisher or picture researcher? If you are passionate about History and Art and would love to study both historical and contemporary works of art from many perspectives, then our History of Art taster is perfect for you.

Aimed at **16-18 year olds**, there are **no subject specific criteria** apart from curiosity about History of Art and a desire to learn and passion for the discipline. This course may be of interest to students considering single honours or joint honours study of History of Art or just with an interest in this subject discipline. Bursaries and discounts available.

[https://warwick.ac.uk/about/london/study/pre-university/tasters/historyofart\\_taster](https://warwick.ac.uk/about/london/study/pre-university/tasters/historyofart_taster)

### **Did you know that Swansea University is home to a Top 3 UK Medical School?**

Introducing Pathways to Medicine - a unique collection of undergraduate degrees that benefit from dedicated pathways to lead you right into Graduate Entry Medicine.

Delivered in state-of-the-art facilities including the Institute of Life Science, our Pathway to Medicine degrees all specialise in the science that underpins medicine and provide the ideal springboard for careers in research, innovation and further study such as Graduate Entry Medicine. We are delighted to be able to guarantee our Pathway to Medicine students an interview for our Graduate Entry Medicine programme. This makes Swansea University Medical School an ideal alternative to traditional undergraduate medicine study.

## Post 18 Choices continued

### **Bank of America Merrill Lynch IT Degree Apprenticeship**

Think you have potential? We believe everyone deserves bright prospects. That's why we're committed to helping you develop your potential and thrive.

A **degree apprenticeship** is your chance to develop skills on the job and work towards a bachelors or master's degree, and/or professional qualification at the same time.

We have an opportunity for you join us as an Apprentice IT Application team member. A team member typically fulfils either a business analyst or application developer role with Global Technology and Operations.

We welcome applicants who are from a non-computing background and those with relevant experience without the required A-level or equivalent qualifications.

To learn more about the roles alongside the skills and qualities required and to apply, please go to, <https://campus.bankofamerica.com/careers/degree-apprenticeship-programs.html>

**JLL** is a professional services firm whose common passions are real estate services and investment management. It has begun **recruiting nationwide for apprentices to join in September 2018**. The deadline for applications is 31<sup>st</sup> May 2018. We partner with BPP and UCEM to recruit apprentices for surveying, finance, business administration, IT and HR to work with teams based nationwide.

<http://www.jll.co.uk/united-kingdom/en-gb/careers/apprenticeships>

**KBR** based in Leatherhead, offer an **apprenticeship training scheme in Engineering** from September 2018. Further details of an open day on Wednesday 23<sup>rd</sup> May to follow.

KBR Modern Apprenticeships minimum requirements: C Grade in Maths and English at GCSE; either 3 A Levels (one of which must be a science or maths) or BTEC in Design Engineering. **Email: [trainees@kbr.com](mailto:trainees@kbr.com) and they will send you further information.**

**Many more School Leaver Schemes, Higher and Degree Apprenticeships** can be searched for on the following sites:-

- **UCAS Career Finder**, <https://careerfinder.ucas.com/>
- **Find an Apprenticeship**, <https://www.findapprenticeship.service.gov.uk/apprenticeshipsearch>
- **Get My First Job**, <https://www.getmyfirstjob.co.uk/>
- **Student Ladder**, <http://www.studentladder.co.uk/School-Leaver-Programmes/school-leaver-programmes.html>
