Rugby Sevens

This year our seven's season has been curtailed by the weather but the WCGS boys still managed have produced some fantastic performances and results. The U13's won four out of five matches to come joint 1st in our pool at the Roslyn Park HSBC Sevens. For the U16's the Roslyn Park HSBC Sevens was their final opportunity to play together as a squad. A very tough group including Sedburgh and Warwick made it a very tough start to the tournament, performances developed over the course of the day, running Queen Elizabeth's School very close. The boys did however manage to finish their season on a high, winning their final group stage match Vs Sevenoaks. This team have talent in abundance and we hope to see it come to fruition in the coming years for the 1st XV.

Table Tennis Report by Mr G Maric

This year we hosted yet another successful Jack Petchey Tournament, with a record number of players to date, including U11 boys and girls, as well as the U16 boys. WCGS players Sam Pang, Ajay Potavadoo, Krishna Nagarajan, Zeron Francis, Anirudh Gandepalli, Ben Hansen, Ivan Wong, Arjun Pereira and Rayyan Hossenbux performed really well in a tough competition. Sam Pang reached the Semi-Finals and has therefor qualified for the Jack Petchey Zone finals in London later this year. The U13's (Alex Bogdanovic, Ojavii Borah, Jacob Archer, Sai Gandepalli, Chid Egbeama and Adrian Vasudeavan) have competed in their age groups and reached quarter finals. Leon Griffiths, Kushal Patel and Ajitan Amurtherajan have represented WCGS U19's in the Jack Petchey South London Tournament and played well against some of the best players in England, with all of them making it to the quarter finals. To continue to grow Table Tennis we have 14 Year 7 boys working in our development group, who will be ready to represent WCGS next season.

Netball

The girls senior netball team continue to improve which was clear to be seen this month when they played in a tournament at Trinity School against 5 other schools A and B Teams. The girls displayed great sportsmanship throughout with great leadership from Joy Cummings supported by Olivia Lambe and Kehinde Lawal. We faced tough opponents playing 4 matches, winning 1 and losing 3 we came 6/8 teams. With more fixtures coming up and continued training sessions we still have a lot to look forward to!

WCGS Indoor Cricket

The U13s and U15s looked to kick start their cricket seasons with success at the Sutton Borough Indoor Cricket Competitions, hosted by Greenshaw (U13s) and WCGS (U15s). A 6-a-side competition which allows boys to have an early season focus prior to the outdoor season starting after Easter. Both age groups progressed as winners, with wins against local schools Glenthorne, Stanley Park and Greenshaw. The next round was held at Tiffin School, where the standard of cricket naturally improved. This time, the U13s finished second overall to Tiffin, beating Rutlish and St Joseph's College in the early matches but lost to a very strong Tiffin side. The U15s went one step further and won this round to progress to the Regionals at Ashcombe School. This is a great achievement and we wish them well in the upcoming tournament

WCGS Cricket

After Easter, Cricket at WCGS will come alive once again with matches being played throughout the week as well as A team matches on a Saturday mornings. All students are encouraged to come along to training after school on the following days.

Training will be from 3:30pm – 5:00pm.
 Anyone can attend and kit can be provided for those that don't have all aspects of batting equipment. We do hope to see as many of you there as possible.
