## All About Me

Key Vocabulary	Definition
All About Me	Knowing themselves; their facial features, colour of hair, skin and eyes. Their names, age and looking at similarities and differences.
Our families	A group of people who are related to each other, such as mother, father, sisters, brothers, grandparents and cousins, etc.
Our homes	A place where one lives such as a house, apartment or other shelter that is the usual residence of a family or person.
Our senses	There are five <b>senses</b> that we use to explore and interact with the world around us: sight, smell, hearing, taste, and touch. The body parts that allow us to experience these <b>senses</b> are: eyes (sight), nose (smell), ears (hearing), tongue (taste), and skin (touch).
Our Bodies	The whole physical structure, including the bones, tissues and organs, of a person or an animal.
Feelings	Is an emotional state, such as anger or happiness.
Celebrations	A social gathering or enjoyable activity held to celebrate something an important day or event.
